Service of the Reformed Church
Zurich

Our home on earth is a mere tent – but one filled with bagels, hymns, and good company.

Once a month, the Reformed Church Zurich holds an English-language service at the Church Enge (*Kirche Enge*). Our services are part of a broad range of English-language worship opportunities in the city of Zurich. Rooted in the Swiss Reformed liturgy, we seek to bring together music and prayer with an open-minded, justice-oriented theology for our time. We welcome people of various backgrounds and orientations!

Coffee and bagels at 10.00 am
Services begin at 10.30 am

Would you like to volunteer and help prepare our services? We look forward to hearing from you!
